RETRO CHRISTMAS PARTY

Take me back in time!

Bring back the 60s and 70s as decades dedicated to peace and love, disco dancing, crazy clothing, and groovy music, making an ideal theme for your Christmas party. Vintage records, bright flowers, peace signs, tie-dye table covers, kaleidoscopes, and disco balls will all be combined to create the perfect decor. This theme will make your guests feel like they have just stepped back in time when they walk through the door.

The DJ will have the perfect playlist for this occasion with classic songs from the 60s and 70s - Bee Gees, The Beach Boys, Marvin Gaye and more...

THE FLAMENCO VIBE

That's the way to dance!

The expression of elegance and liveliness. Flamenco singers, drummers, guitar players, castanets, and dancers create a truly memorable show for all your guests!

Truly eye-catching and unique performances combined with delicious Spanish traditional tapas, beautiful decor and wine make for a Christmas party with a difference.

THE GREAT GATSBY

1920s

Bringing back key 1920s design concepts such as geometric prints, metallic and mirrored pieces, bold colours, Bauhaus-style furniture, and ornamental chandeliers, this Christmas theme will truly set the mood for an unforgettable night! A black and gold colour scheme with glitzy elements, and the ever so important 1920s flapper dress code with straight, sleeveless, loose, and usually knee to ankle length dresses, paired with feather boas or pearl necklaces and solid suits as a must for men.

This theme leans heavily into jazz, dancing, and artistic flair - making sure your guests groove all night long.

HOLLYWOOD BLING

Feel like a movie star for a day!

Make your guests feel like movie stars with this Hollywood-themed Christmas party. Sharing the love for movies and reliving the glory of early Hollywood. Glitzy decor and glamorous attire in this grandiose gala.

Recreating the Hollywood landscape through the incorporation of famous letters on the hill - let your guests live the American dream! Bow ties and gala dresses are a must for this elegant corporate event.

Take your employees on a journey on the Hollywood Walk of Fame and we are 100% sure that your employees will still be talking about it long after it has taken place.

FIRE vs ICE

Hot n' Cold!

The contrast between these two elements is perfect to create a wonderful experience! Creating a perfect battleground between these two elements by contrasting the bright red and yellow flames and the white and blue ice.

Unique performances from fire breathers to ice dancers, flaming spirits to freezing cocktails! Which side are you on?
